

US and CANADA Daylight Saving Changes for Merlin Systems

The United States and Canada recognize a US Government policy regarding Daylight Saving Time. Daylight Savings Time begins on the second Sunday in March and ends on the first Sunday of November.

Synectic is pleased to offer assistance, as some Merlin communications systems will require modification. Please follow the steps below to correct the system time for your Merlin Phone System in March and then again in November.

To change the System Time for Merlin Legend, Magix R1.0

From SPM, WinSPM (F1-F12) or Main Programming Console (MLX20 or 4424LD+)

1. F1 Menu/System Program
2. F5 Exit/Start
3. F1 System
4. F8 Time
5. F4 Back space out old time and enter new military time in 24-hr format
6. F10 Enter, then exit out of programming

To change the System Time for Merlin Magix 1.5 and above

From SPM, WinSPM (F1-F12) or Main Programming Console (MLX20 or 4424LD+)

1. F1 Menu/System Program
2. F5 Start
3. F1 System
4. F8 Time
5. F2 ADST
6. F2 Disable
7. F10 Enter
8. F1 System Time
9. F4 Back space out old time and enter new military time in 24hr format
10. F10 Enter, then exit out of programming
